THIS MONTH QWHA PROMOTES

Contraception

DID YOU KNOW?

 Contraceptives are physical and mechanical tools that can protect against STDs and prevent unwanted pregancies

• The estimated annual cost of uninteded pregnancies in Canada is ~\$320 million per year

- It would cost \$152 million dollars to provide hormonal contraceptives free of cost to all Canadians
- Contraceptive disparity disproportinately affects young adults, new immigrants and those living in rural northern communities

NEW THIS MONTH

For August, QWHA spotlighted the following initiatives:

Cover Contrace ptill

- A group of health care professionals advocating for free contraceptives in Ontario.
- You can follow CoverContraceptiON on twitter for more resources @contracepti_ON

Action Calpalala

 A Canadian organization that advocates for sexual and reproductive rights both in Canada and around the world.

WHAT CAN YOU DO?

In the upcoming federal election this September, contact your local party candidate to advocate for free access to contraceptives. Use this link to find your candidate or MP by postal code:
